Town Meeting Creed

We are all in this together

We will treat one another with respect and dignity

We will allow differences of opinion and consider opposing viewpoints with an open mind

We will not raise our voices or speak abusively to or about one another

We will be silent while another is speaking

We will be mindful of others and stop what we're doing when asked to do so

We will silence our cell phones and be attentive

We will consider the *good of all* in everything we do

We will be kind to each other
